## **Steppin-N-Style Dance Studio's Anti-Bullying Policy**

**Steppin-N-Style Dance fosters a lifelong love for dance and creative expression. In order to guarantee that all of our dancers are able to best pursue their passion, we have a comprehensive anti-bullying policy applicable to our students, dance families, staff, and employees.**

**We define bullying as any behavior; physical, verbal, written (either electronically or in person), that detrimentally targets another dancer. This behavior is described as bullying if it physically or emotionally harms a dancer, targets a dancer for any actual or perceived characteristic, or creates a hostile environment in the dance studio.**

**Steppin-N-Style Dance recognizes that bullying does not just occur between students. If a parent or guardian has witnessed bullying or harassing another student, parent, or staff member, there will be repercussions. Steppin-N-Style Dance will not tolerate bullying in any form; physical, emotional, social or otherwise. As such, we have a Zero Tolerance Bullying Policy.**

**Each reported instance of bullying will be followed-up with specific attention to the situation and dancers or people involved. Since our goal is to empower people and embrace individuality, one documented bullying event will have repercussions which may include immediate termination of enrollment for egregious violations.**
